New to The Realm

You may have noticed all of the Coming Soon signs in the area...that's because The Realm is growing! **Blank Slate** is coming into this building on the 2nd floor, offering customized therapy services for individuals, families, and couples. **Tropical Smoothie Cafe** will be serving up wraps and smoothies at The Realm Gateway (SW corner of Josey & Windhaven) before you know it. We are also excited to announce that **Epic Nail Bar**, **Kakatiya Banquet Hall**, **A4E tutoring** and **Ship-N-Go** are moving into the walkable space under Valor at The Realm.

Upcoming Event

Rockin' Around The Realm is coming to you on Friday, December 9th @ 5pm. It's the perfect spot to celebrate the holidays after a long week at the office, and all you have to do is walk downstairs! The event features a DJ, photo ops with Santa and his team of characters, a giant inflatable slide for the kids, food and drink specials for the adults, and an impressive tree lighting for all.

Community Insight

You've heard the news. You've seen the construction. But when are these new places actually opening?! Good News - in the month of December (and even this week) we expect to see grand openings for **Iconic Dental**, **Premier Martial Arts**, **Mochinut**, and **Bahama Bucks**!

Please be sure to **SLOW DOWN** as you drive through the parking garage. Nothing spoils the holiday season like a fender bender at work.

In other parking news, please remember that the **2-hour parking** spots are designed for clients and guests of The Realm.

The Realm office building has a security guard on level 1 who can be reached at **469-590-9777**. They are just a phone call away should you need an escort to your vehicle or something feels suspicious. As always, **if you see something, say something**.
