Immediate supervisors can track the progress of their employees on the Reports page under the *Track* icon on the Cornerstone landing page or from the *View Team* button under the *Learn* icon. Supervisors can view the current status of their Workday reporting structure through the [Training Dashboard](#) maintained by Clinical Infomatics. The dashboard allows for filtering by geographic work location, business unit, and immediate supervisor. [Work instructions may be found here.](#)

The LMS team has weekly office hours for anyone who needs some additional help with the system.

1. Click on the *Learn* icon on the Cornerstone landing page
2. Use the drop-down menu under Subject and click on *Office hours* to view the calendar and register for a session.

We are confident that this streamlined approach will provide valuable insights and empower you to excel in your roles. Thank you for your continued commitment to professional growth and development. For a full list of GMR learning opportunities, click the *Browse* icon on the Cornerstone landing page.
