

Becky Blackett, Executive Director

Becky Blackett is the first and only Executive Director for the GMR Foundation for Research and Education — a role she has held since 2014. Prior to directing the foundation, Blackett spent two years successfully organizing and expanding the influence of the GMR Annual Golf Tournament, which she has been overseeing since 2010. Under her leadership, the philanthropic enterprise continues to see record-level donations with 2021's tournament accruing more than \$400,000. The golf tournament is our one annual fundraiser, which provides crucial financial support for the GMR Foundation for Research and Education initiatives.

Blackett's career also includes 11 years as the Administrative & Finance Section Chief on a Disaster Medical Assistance Team (DMAT), under the department of Health and Human Services (HHS) and as Assistant Secretary for Preparedness and Response (ASPR). Blackett has also worked within AMR as an Administrative Assistant for the Denver AMR Ambulance

Operations and as an Administrative Supervisor with Air Ambulance Specialists.

Blackett holds a BS in Business Administration with an emphasis in Finance from Regis University.
